I clearly understand and agree that all services rendered to me are charged directly to me, and that I am personally responsible for payment. I also understand that if I suspend or terminate my care and treatment, any fees for professional services rendered to me will be immediately due and payable.

Signature _____ Date _____

Background Information:

Primary Physician	Phone
Date of Last Physical Exam	
Abnormal Findings	
Date of Last Blood Test	
Abnormal Findings in Blood Test	
Date of Last PAP Smear (Females Only)	
Abnormal Findings in PAP (Females Only)	
Date of last Mammogram (Females Only)	
Abnormal Findings in Mammogram (Females	Only)
Present complaint(s) or illness(es):	
Illness Duration	
Events preceding onset:	
How long since you've been well	
Personal Health Goals:	
List travel immunizations	
Recent flu shots	
Do you have mercury amalgam fillings?	If yes, how many?
Do you have root canals? I	f yes, how many?

List any Accidents you have had with dates:

List any Surgeries you have had with dates:

Medications that you are currently taking (include birth control pills and nonprescription drugs, including vitamins/supplements). Indicate the dosage, length of time taking the medication, and frequency of use.

Have you ever had a frequent or prolonged use of the following drugs, if so, provide your age at the time and for how you took them?

Antibiotics
Antihistamines
Cortisone
Prednisone
Steroids
Describe how you feel about these issues (G =Great / O =Okay / P =Problem):
Spouse Significant other Children Work Sex Life Finances
Describe how you feel about your life in general:

How much?	How long?
Alcohol Usage: Alcohol Type_	
Alcohol Amount	Frequency
	nad a problem with drugs?
If yes, describe:	
How often do you exercise?	
What type of exercise?	
For how long?	
Would you describe your stres	s levels as low, moderate or high?
Describe the kind of work you	do:
How often do you have bowel	movements?
What kind of water do you drin	k?
Do you have a purifier?	What kind?
Do you use an electric blanket	?
List any allergies or sensitivitie animals, or chemicals:	s to drugs, supplements, herbs, foods, pollens,

For the following illnesses, check the box if you have now or have had them, and include description, now vs. prior, treatment/action taken, and dates:

Thank you for taking the time to complete this and for your thorough answers.

Female Hormone Questionnaire

initials _____

no

Current Age

Approximate date of last menstrual period

Approximate date of last menstrual period at time when your periods were regular

Age of onset of menstruation (Menarche)

How long after Menarche did your periods get regular?

How many days did your menstrual flow last at that time?

What was cycle length when periods got regular at that time?

(number of days from the first day of menstrual flow of one cycle, to the first day of flow of the next)

Prior to the age of 18 or, your first pregnancy:

did you have "PMS"yes	no		
did you have difficult periods	yes	_no	
? breast tenderness:	_yesno	? headaches:	yesnc
_irritablility?uteri	ne cramps?	heavy flow?	bloating?

Birth control methods:	Diaphragm	Condom	both	_IUD [_	# of ye	ars]tub	al ligation
Were you ever on the	Birth Control Pill?	yes _	no	# of yea	ars or _	# of month	S
If 'yes', how	did you feel on it?	?bette	er	_worse			
did y	/ou ⁻ gain weight w	hile on it?	ye	esi	no		

Number of ... miscarriages abortions

Have you ever been pregnant & given birth? __yes __no if yes, number of births ____

Your age at each pregnancy

Number of months you breast fed this baby _____ ___ After the first 3 months was pregnancy

____yes ____no a very physically pleasant time for you? a worse time for you than non-pregnant? ____yes ____no

____yes ____no did you have diabetes during pregnancy?

____yes ____no for how long? did you have nausea of pregnancy?

Have you had a recurrance or worsening of premenstrual symptoms after the age of 35: yes no PMS breast tenderness

After the age of 35, before menopause.

Is there a time of the month that you feel best? week: __1 __2: __3: __4 Is this the only time of the month you feel good? yes no

___medium __large Breast size when younger or, prior to first pregnancy: __small Current breast size: smaller than above larger than above

have you had any of the following:

breast cysts breast biopsy breast cancer have you had breast mammograms? if so, how many ____? any abnormal ___? have you had breast ultrasounds? if so, how many ____? any abnormal ___? have you had breast thermograms? if so, how many _____? any abnormal ____? do you have breast implants (if so, when implanted ?) what percentage of time in a 24 hour day do you wear a bra? % Page 82

Have you had any of the following:

,

uterine fibroids D & C [# of] ovarian cysts endometriosis laparoscopic surgeries cesarian sections tubal ligation endometrial biopsy hysterectomy: at what age? oopherectomy [removal of ovary(s)] ?1 ?_2 age of last pap smear ? abnormal pap smear [at what age?] bone density tests date of last one
Hormonal use:PremarinProverapatch other hormones [list] has any woman in your family had female cancer?noyes if yes, who and what type?breastuterineovarian who?
Current Heightfeetinches tallest height you ever werefeetinches Weight age 25lbs Weight nowlbs In your life have you had more muscle and hair than others? more muscle than others with little body hair??
Symptoms of estrogen deficiency:
Symptoms of estrogen excess: breast tenderness [especially central] breast swelling or enlarging water retention & swelling impatient & snappy though with clear mind pelvic cramps nausea
Symptoms of progesterone deficiency:
Symptoms of testosterone deficiency: flabbiness diminished sex drive flabbiness diminished energy & stamina diminished sense of security diminished coordination & balance indecisiveness diminished armpit, pubic & body hair hair loss diminished love of your body image muscle weakness
